Helpful Resources for When You are Engaging with Students:

- [Four Year Checklist](#) – select the year of the student for the dropdown list.

- [Experiential Planner](#) - provides a place to document and reflect on the steps students have taken as well as plan future learning experiences. Have students fill in the planner - reflect and discuss their experiences and next steps with you.
- [Handshake](#) – a job/internship/event platform specifically designed for students and recent graduates. All students have accounts with their CSB/SJU Credentials. Contact XPD if you would like an account.
- [Graduate Outcome Survey](#) - This database was created using the responses from a yearly survey of all CSB/SJU graduates to identify their first destination post-graduation. The survey is conducted by XPD and results are compiled during a 12-month period that begins at graduation.
