EDUCATION

Bachelor of Arts:

Anticipated Graduation: May 20XX

St. John's University, Collegeville, MN

Major: Biology

Honors: Dean's List, GPA: 3.86/4.00

Study Abroad: Greece, Fall Semester 20XX

Highlighted Coursework: Molecular Genetics, Cell Biology, Biochemistry, Genetics, Histology & Technique, Macro Chemical Analysis, Comparative Anatomy of Vertebrates

LABORATORY SKILLS

PCR	R Programming	Staining & Sectioning	Culturing	NMR
Dissection	Recrystallization	Spectrophotometers	Microscopy	Chromatography
Specimen Handling	Western Blotting	Extraction	Centrifuge	
Dilutions	Tissue Identification	Enzyme Purification	Sterilization	

RESEARCH EXPERIENCE

Student Researcher

January 20XX – Present

Biology Department, St. John's University, Collegeville, MN

- Conduct research on "A comparison of the renal structure of various stages in mouse development."
- Compile and analyze data and will collaboratively write manuscript to report the findings.
- Will make a poster presentation at Conference X.

Research Assistant - Summer Undergraduate Research Program

Summer 20XX

University of Minnesota, Minneapolis, MN

- Conducted research with professors on different life cycles of insects.
- Presented research at CSB/SJU Celebrating Scholarship & Creativity Day, a campus-wide research colloquium.
- Demonstrate reliability and attention to detail while cleaning and maintaining supplies and work area.

REVELANT EXPERIENCE

Biotech Intern

May 20XX – Present

Biotech Industries, St. Paul, MN

- Monitor and operate specialized equipment, including gas chromatographs, high-pressure liquid chromatographs, electrophoresis units, and thermocyclers.
- Keep and maintain thorough records of experimental procedures and resulting data.
- Utilize Excel to generate and analyze data sets to later be presented to the leadership team.

Career Ambassador

September 20XX-May 20XX

Experience and Professional Development, College of Saint Benedict, St. Joseph, MN

- Assisted students individually and in groups with career research and exploration activities.
- Provided students with information and decision-making strategies related to majors and careers.
- Professionally communicated with alumni while planning and coordinating logistics for events.
- Demonstrated attention to detail while helping students with resumes, cover letters, and interviewing.

Biochemistry Tutor/Teacher's Assistant

September 20XX-May 20XX

St. John's University, St. Joseph, MN

- Tutored 25 students in Introductory Biochemistry classes, adapting to various learning styles.
- Assisted with the set-up and implementation of weekly student labs.
- Maintained open communication with instructors and students on assignments and feedback.

ADDITIONAL EXPERIENCE

Landscaper, ABC Landscaping, White Bear Lake, MN

June 20XX – Present (Seasonal)

CAMPUS AND COMMUNITY INVOLVEMENT

Biology Club Member, Junior Varsity Baseball Athlete, Red Cross Blood Mobile Volunteer
