

# RESEARCHING A MAJOR

Use the following resources to learn more about majors you are considering and answer the questions below:

- ✓ CSB/SJU Majors/Minors/Programs of Study: <https://csbsju.edu/admission/majors>
- ✓ Faculty in your areas of interest
- ✓ Academic Advising staff and website resources: <https://csbsju.edu/academic-advising>
- ✓ XPD staff and website resources: <https://www.csbsju.edu/xpd/students/graduate-outcomes>

1. What are introductory course(s)/pre-requisites that you can take to explore this major?
2. Are there any concentrations in the major that are interesting to you? What courses would you need to take?
3. List the names of at least two faculty you could talk with regarding this major and its requirements:

\_\_\_\_\_

4. Using XPD's Graduate Outcomes Database, list possible careers you can/want to explore and learn more about:

5. What skills would you develop by studying this major?
