**General Information**

CSB students can apply to live on the St. Ben’s campus for the 2022 summer. CSB applicants will reside in the **Centennial Commons Apartments**. Centennial Apartments are four-person, four-bedroom apartments.

CSB students who will require short-term housing (departing prior to June 1) will be assigned to the **Dominica Apartments**. Students utilize temporary housing for a variety of reasons including completion of student teaching requirements, athletics, accommodation of travel plans, or preparation for the NCLEX exam.

The rate for summer housing is $14.00 per day. The fee is waived if you are on campus to complete your academic requirements (such as student teaching or for NCLEX).

The priority application **deadline for CSB Summer Housing is April 25th, 2022**. Students will be sent their housing assignments beginning May 2nd, 2022.

Applicants who do not meet the priority deadline may apply for remaining housing on a first come, first served basis. **Space is limited so please apply early!**

**Who is eligible for CSB Summer Housing?**

Current CSB students can live on the CSB campus if they meet these priority requirements:

- Students must be enrolled for Fall 2022 to be eligible for summer housing.
- Students must be working at CSB/SJU or involved in an academic experience affiliated with CSB/SJU (such as research) to be eligible for summer housing. Employment学术信息 will be verified by Residential Life before confirming a summer housing assignment.
- Taking summer classes in person on the CSB/SJU campus. Class registration will be verified through the Registrar’s Office. This does not include online classes.
- Students with unique circumstances may apply and their request will be reviewed.

Applicants who have documented serious disciplinary/conduct issues may not be approved to live on campus this summer.
What are the dates of CSB Summer Housing?

CSB Summer Housing begins on Wednesday, May 11th and ends on Saturday, August 6th. Applicants who are staying the whole summer have priority over those staying for only a portion of the summer*. Students applying to live on campus during a portion of the summer will be offered summer housing on a first come first served basis after full summer applicants.

*Students requesting to cancel or change the dates of their summer housing contract after May 11th may not be accommodated or may be charged an early termination fee equal to one weeks rent.

As general summer housing begins on Wednesday, May 11th, those students who select to move into summer housing and begin their contract after May 11th will need to check out and depart campus no later than 6:00 pm, Friday, May 6th.

When do I move in to CSB Summer Housing?

All CSB campus residents will move from spring housing to summer or temporary housing on Wednesday, May 11th, 2022 between 8:00am and 8:00pm. Students must move on this designated day! Please contact the CSB Residential Life office if you have questions or concerns regarding this timeline. Students who select to begin their contract after May 11th will need to check out and depart campus no later than 6:00 pm, Friday, May 6th.

Every CSB student must complete a checkout with their RA or CA by the final day of checkouts (Friday, May 6th, 2021). Failure to do so will result in a $50.00 improper check out fee. Students will be allowed to remain in their rooms or apartments until they can move to summer or temporary housing on May 11th. For your RA or CA to accurately checkout your room or apartment, please pack all your belongings and move them to a concise pile.

All academic year keys must be turned in by 8:00am on Thursday, May 12th, 2022 to avoid re-keying fees of $40.00 per room/apartment key. A summer room key will be issued to you on the day of summer move-in.
When do I move out of CSB Summer Housing?

CSB summer housing ends at 8:00 pm on Saturday, August 6th, 2022. All CSB Students who will be living on campus during fall semester of the 2022-2023 academic year will move to their fall housing at this time. CSB students living off campus or going abroad for the fall semester will need to arrange for off campus housing after Saturday, August 6th, 2022.

All summer to fall moves must be completed by 8:00pm on Saturday, August 6th so plan your work schedules and travels early and plan to move out on this weekend. **If you plan to be gone during this period, you may need to move off campus completely and move back into your fall housing when you return.** Please plan accordingly!

All summer apartment keys must be turned in to the Residential Life office by 8:00am on Sunday, August 7th, 2022. Summer residents will be assessed fees for any keys not returned by that deadline. Key fees are $40.00 per apartment key.

Can I choose my CSB Summer Housing roommate(s)?

The CSB summer housing application includes a place for applicants to list the names of people they would like to room with. People wishing to share an apartment for the summer must all request to live with each other. Each summer housing resident must fill out an application.

You do not need to have a completely full apartment. However, all available spaces will be filled in each apartment. Single applicants will be assigned any open housing spaces.

What are the CSB summer policies?

Students staying on campus are required to follow all CSB Residential Life policies and CSB/SJU campus policies as outlined in the **CSB Residential Handbook**, the **Bennie Book** and the **J-Book**.

What services are available to me in the summer?
