REGISTRATION INSTRUCTIONS

NOVEMBER 4 - NOVEMBER 14, 2013
FOR SPRING 2014

All currently registered students who expect to return to CSB/SJU this Spring must complete advance registration by November 14th. Please follow these instructions carefully—proper registration is your responsibility. If you have any questions about registration, call the Registrar's Office at 5260 (CSB) or 3396 (SJU).

STUDENTS ARE ELIGIBLE TO REGISTER ONLY IF THEY HAVE:

- ... Met with their advisor to obtain their Registration PIN #
- ... Settled all current charges with the Student Accounts Office
- ... Been accepted by a department (unless they are a first-year student, or first semester sophomore)
- ... Complied with Minnesota immunization regulations
- ... Have an active Network account
- ... First year students submit a final High School transcript
- ... Applied for graduation if they are classified as a Senior or 4th year

We strongly urge you to meet with your advisor early and enter your registration on BANNER Web Self Service on the date provided by your advisor. **Registration is on-line—delaying your registration will affect course selection.**

Students who are ineligible to register for any of these reasons may register on BANNER Web Self Service after they have cleared all registration holds.

Please note that registration for ILPs (Individualized Learning Projects) and for special programs (Tri-College Exchange, Internships, etc.) requires your submission of special forms available on-line: <http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm>. Registration for Internships (8 credits or more) are due the first day of classes.

REGISTRATION ADJUSTMENTS

Registration adjustments (Drop/Add) can be done on BANNER Web Self Service through January 21st. **You will need your Registration PIN# that you received from your Advisor.** To drop a course after this date, complete the appropriate online request form available at: <http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm> or students can come to the Registrar's Office at SJU (Quad 163) or at CSB (Academic Services Building 208).

Listings of cancelled or closed courses will be electronically updated on the Class Schedule Information on BANNER Web Self Service. Students should use BANNER Web Self Service to check whether a space has become available in a course that was previously closed. Courses may be added through the first week of the semester.

If a course is closed, check whether there are any other sections of the same course that have spaces available in them and register for an alternate section. If this option is not available to you, consider alternate courses and register accordingly. Your advisor is a good resource to help determine an appropriate alternate. In some cases, it may be appropriate for the department chair or instructor to "override" a student beyond the course limit. Override registrations are completed by the student using the appropriate the online request form: <http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm>

REGISTRATION PRIORITY AND COURSE SELECTION

Registration priority is based first on class standing, then on cumulative earned hours. Seniors are assigned courses first, then juniors, sophomores and first-year students. Class standing is determined by earned credits, not by years in college. **Banner Web Self Service will immediately respond to your course selection by indicating Enrolled or Closed.**

ESSENTIAL INFORMATION

ACADEMIC ADVISING

After viewing the Class Schedule, visit your academic advisor to arrange a schedule of classes for next term, and have your advisor write your PIN on your Registration Worksheet which you will find at: <http://www.csbsju.edu/Documents/Registrar/forms/M-F%20worksheet.pdf>

If you intend to register for more than 18 credits, you are incurring an overload. Overloads may be attempted only by students in good academic standing, and overloads of 20 or more credits require the student to see the Academic Advising Office.

ACADEMIC PROBATION

First semester students must earn a minimum 1.8 cumulative grade point average to remain in good academic standing. In subsequent semesters, all students are required to maintain a 2.0 cumulative grade point average for all CSB/SJU coursework. Students who fall below a 2.0 cumulative GPA will be placed on academic probation for the next semester. During the probationary semester, students must raise their cumulative GPA to 2.0 and may take no courses for S/U grading unless the course is offered only on an S/U basis. Students whose cumulative GPA remains below the minimum standards at the end of a Final Probationary semester are subject to dismissal. For more information, see the Official Academic Catalog.

ADDING A CLASS

Tuesday, January 21st is the last day you may ADD a full-term course to your program, unless the course's first meeting is scheduled after January 21st. No student may enroll for a full-term course after the first week without the instructor's consent. Banner Web Self Service will be available to add courses through the 5th day of the semester. After the 5th day of the semester, any additions, with the instructor's consent, must be made by filling out a late add request form. This form, in addition to other registration forms, is available on our online forms link: <http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm>

AUDITING A CLASS

Students intending to audit a course (earn no credit) are required to complete an [Audit Change of Status Form](#) during the first week of class. Auditors are expected to attend all regular classes. A student who first registers for credit may change to audit status any time during the first four class weeks. A student who first enrolls for audit status may change to credit status only during the first class week. Courses audited are not included in determining the total credits earned; however, the credit value of any course audited is calculated in the total tuition cost.

CALENDAR CHANGES

The CSB/SJU calendar is subject to modification or interruption due to occurrences such as fire, flood, labor disputes, interruption of utility services, acts of God, civil disorder and war. In the event of such occurrences, the Institutions will attempt to accommodate their students. However, we do not guarantee that courses of instruction, extra curricular activities or other programs or events will be completed or rescheduled. Refunds will be made to eligible students in accordance with College or University policy.

CO-REQUISITES (COREQ)

Co-requisites are courses that must be taken during the same semester.

COURSE NUMBERING SYSTEM

100-299	Lower Division undergraduate courses
300-399	Upper Division undergraduate courses
400-above	Open to graduate students

CREDITS EARNED AT OTHER COLLEGES

Students may complete out-of-residence courses and transfer them to the College of Saint Benedict and Saint John's University. The college at which the coursework is completed must be accredited by the appropriate regional accrediting agency at the time of enrollment. Courses to be transferred must be similar to courses offered for credit at the Saint Benedicts and Saint John's. Courses to be transferred must receive a minimum grade of C. Credits received for these courses are translated into semester credits according to the appropriate translation formula. Grades earned for transferred coursework are not calculated into the student's cumulative GPA. Before credit may be transferred, the Registrar's Office must receive an official transcript directly from the college at which the courses were completed.

With advance approval, students may apply these courses towards the common curriculum and/or major requirements. Work taken to complete common curriculum requirements requires prior consultation with and ap-

proval of the Registrar's Office or the Academic Advising Office. Work taken to complete major requirements requires prior consultation and approval of the department chair. The department chair needs to sign an Academic Substitution/Exemption Form.

Students who intend to transfer coursework from a foreign college or university must consult the director of international studies before beginning such study. Consult the Office for Education Abroad for further information. Please note that coursework completed through AP, IB or PSEO may not be repeated at CSB/SJU for additional credit. If you choose to enroll in the equivalent course at CSB/SJU then the AP, IB or PSEO credits will be removed from your transcript

CREDIT OVERLOAD

If you plan to register for more than 18 credits, you are incurring an overload. The overload tuition fee is billed at \$1014 (SJU) or \$1027(CSB) per credit over 18. Students whose cumulative grade point average is below 2.00 may not register for an overload. Students in good academic standing (GPA above 2.00) may register for a maximum of 1 overload credit (19 credits overall) without permission. Credit totals of 20 or more require the student to see the Academic Advising Office. BANNER Web Self Service registration system will not allow you to register for more than 19 credits.

DEGREE WORKS

Advisors will have access to DegreeWorks advising aid through BANNER Web Self Service for Faculty. Please make an appointment to meet with your advisor early to review your academic progress and select your Spring coursework. Remember, all students MUST see their advisor to receive their Registration PIN #.

DROPPING A CLASS

... **Jan. 21st** Last day to add/drop a course using BANNER Web Self Service. After this date students must fill out a late add request form which must be approved by faculty and/or department chair to receive a permanent drop until February 11. This form is available at: <http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm>

... **Feb. 11th** Last day to receive a permanent drop on your schedule

... **Apr. 14th** Last day to receive a "W" on your transcript. If you withdraw after this date, your instructor may assign you an "F" at the end of the semester if appropriate.

For courses scheduled for less than a full term, withdrawal during the first third of the course will result in no record entry; during the second third, a "W" entry; during the final third, a failure if appropriate.

Students who fail to properly drop or withdraw from a course may be subject to a failing grade if appropriate.

EXEMPTION/SUBSTITUTION

In exceptional circumstances students may petition for exemption/substitution from specific academic regulations. Forms for requesting an exemption/substitution are available online from the Registrar's Office through the online forms webpage: <http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm>. Students should first consult with their academic advisor, whose signature on the exemption/substitution form represents a recommendation that the request be considered favorably by the approving official. Department chairs are the approving officials for exemptions/substitutions from requirements within majors and minors. Exemptions/substitutions from academic regulations beyond major and minor fields require the approval of the Assistant Academic Dean. Requests for these non-departmental exemptions/substitutions should be directed to the Academic Advising Offices. The guiding principle in considering requests for any exemption/substitution is fidelity to the academic standards of the colleges.

GRADUATION REQUIREMENTS

- ... 124 credit hours. 45 of these must be earned at CSB/SJU
- ... 40 of the total credit hours must be upper division (300 level)
- ... 2.0 minimum cumulative GPA (unless a specific major requires a higher average)
- ... 2.0 minimum GPA major and/or supporting courses (unless a specific major requires a higher average)
- ... Completed Common Curriculum requirements
- ... Acceptance to a major (usually at the completion of sophomore year)
- ... Requirements for a major (half of the courses for a major must be completed at CSB/SJU)
- ... Candidates for a degree must normally be in residence for the two semesters preceding commencement

HOLDS

All financial, academic, student accounts & health center holds must be cleared before registering for classes.

INCOMPLETE GRADE POLICY

The policy concerning the temporary grade Incomplete (I) includes the following points:

When circumstances warrant, instructors may allow some delay in the completion of course work. Such extensions shall not extend beyond the close of the following regular (fall or spring) semester, and earlier limits may be set at the discretion of the instructor.

The instructor must report on the official grade roster the grade "I" followed by the minimum grade the student will receive if the course work is not complete by the end of the following semester (e.g., IF, or IC, or IB). That grade will be used in the computation of grade point averages until the Incomplete is removed.

If by the end of the following semester the instructor reports a single final grade to the Registrar, that grade will replace the I/GRADE, the Incomplete will be removed, and averages recomputed accordingly. Otherwise the minimum grade that was assigned with the "I" will become a permanent part of the transcript.

Exceptions to the above may be granted only by the written permission of the Assistant Academic Dean. Such exceptions will ordinarily be granted only in cases of medical disability or problems of comparable seriousness.

Degree candidates are cautioned that failure to have all degree requirements satisfied (including removal of Incomplete grades in courses needed for graduation by March 15th will necessarily result in postponement of their graduation.

INDIVIDUAL LEARNING PROJECTS

The guidelines and application forms for Individual Learning Projects, sometimes called Independent Study, are available online on the Registrar's Office website: <http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm>. If you are planning an ILP for Spring term, please consult these guidelines. Remember, only 4 credits of ILP per term are allowed. The original grade is not removed when the course is repeated and credit for a course can be earned only once. The higher grade is computed in the GPA. If you are registering for a course that you are repeating you MUST notify the Registrar's Office. **Repeating a course in which a passing grade has already been earned may have financial aid implications.** See Financial Aid Office for additional information.

Please note that coursework completed through AP, IB or PSEO may not be repeated at CSB/SJU for additional credit. If you choose to enroll in the equivalent course at CSB/SJU then the AP, IB or PSEO credits will be removed from your transcript

STUDENT TEACHING

Students registering for student teaching (EDUC 360, 361, 362, 363) in their 9th (or greater) semester as a full-time student at CSB/SJU will be billed at ½ the regular tuition rate for that semester. These students will also not be charged the student activity fee, technology fee, and campus center fee for that semester. Institutional gift aid (scholarships/grants) will not be available to these students.

STUDY ABROAD

CSB and SJU offer a number of group overseas study programs. Students who plan to enroll in one of these programs should contact the Office of Education Abroad, ASB 104 at CSB. Students who are considering enrolling in coursework offered abroad by another institution (Consortium/External Study Abroad) should contact the Education Abroad Office or the Registrar's Office for information on transfer of credits. Students who register for SA 372, Consortium/External Study Abroad, will be billed a \$300 fee.

Seniors must ordinarily be in residence for the two semesters immediately preceding commencement (graduation). "In residence" is defined as enrollment as a full-time student at CSB/SJU for a minimum of 12 credits per semester. Any student wishing to register for an External Study Abroad Consortium during one of their two last semesters of their Senior year must receive approval from the Academic Advising Office. Seniors will **not** be allowed to register for a year long External Study Abroad Consortium.

S/U REGISTRATION

Arrangements for this non-honor point grading option should be made with your professor at the beginning of the course. Remember that undergraduates are limited in the number and types of courses they may take for the grade S (Satisfactory). See the Catalog for specific rules. First-year students may not take the S/U option except for a course with only S/U grades available. The grade S, once turned in by the instructor, is **NOT SUBJECT TO LATER CHANGE**.

Grading options are listed in the Class Schedule as either A-F grading only or S-U grading only. If neither of these is listed, the instructor will permit eligible students to choose either option by the date the instructor specifies at the beginning of the course. Once you have chosen, you may not request that the S/U be changed to an honor point grade.

If coursework grades average below a C under the S/U option, the grade U (Unsatisfactory) will be given with no credit earned.

TRI-COLLEGE EXCHANGE

The College of Saint Benedict, Saint John's University, and Saint Cloud State University have an agreement that encourages regular full-time undergraduate students to take courses on any of the three campuses. Registration is limited to fall and spring semesters. If a course seems suitable for your program of studies, see your advisor for permission to register. To register, file the approved application with the Registrar's Office at the St. John's campus before January 1. The course will be added to your Spring 2014 Student Detail Schedule, if space is available. You may complete the online application form available on the Registrar's Office website: <https://www.csbsju.edu/Registrar/TriCollege.aspx>

CSB/SJU students will be billed tuition, and other fees, at CSB/SJU rates. If a student is not registered for more than 18 total credits, there will ordinarily be no additional charge. For credits over 18, additional tuition will be added for each additional semester credit hour. (See Credit Overload).

If you have any questions about Tri-College Exchange and the suitability of CSU courses toward your degree program, see Jane Stromme in the Registrar's Office, QUAD 163.

TRANSCRIPT SERVICE

Current students may request an unofficial copy of their transcript at no charge from the Registrar's Office. Official transcript requests must be submitted in writing to the Registrar's Office and may be picked up at the Registrar's Office (or we can mail them for you) 3 working days after the request is made, except during the first and last week of each term. You may complete the online request form: http://www.csbsju.edu/documents/Registrar/transcript_request_form.pdf

Former students may request a transcript copy for \$5.00 per transcript. The fee for faxing a transcript will be \$5.00 per transcript. If the transcript is faxed outside the U.S. the fee will be a minimum of \$5.00. All transcript requests must be submitted in writing via mail or fax and payment must accompany the order. Students may also request a transcript online through the National Student Clearinghouse:

SJU students: https://www.studentclearinghouse.org/secure_area/Transcript/login.asp?FICEcode=00237900

CSB students: https://www.studentclearinghouse.org/secure_area/Transcript/login.asp?FICEcode=00234100

There is an additional fee for the online request.

UPDATES TO THE OFFICIAL CLASS SCHEDULE

All updates to the class schedule will be reflected on Banner Web. Additional courses and cancellations will be published on the Registrar's Official website under the updates link: <http://www.csbsju.edu/Registrar/ClassSchedules.htm>

VARIABLE CREDIT COURSES

If a course is listed with a range of credits (variable), you must enter the appropriate credit amount desired when you register for the course. The credit amount you are registered for may impact your status as a full-time student or your financial aid.

VERIFICATION OF ENROLLMENT

Online verifications are available on Banner Web Self Service. Once you are logged in to Banner:

- Click on Student Services
- Click on Student Records
- Click on Enrollment Verification
- Select a term
- Enter Policy number, if necessary

The Registrar's Office can also provide verification of your enrollment at the College of Saint Benedict or Saint John's University, as well as other information, such as graduation date, majors, full-time status, etc.

Any request to release GPA information must be in writing with your signature authorizing the release of this information

WITHDRAWAL FROM COLLEGE

Complete withdrawal from all of your courses during the term must be initiated with your Residential Director at CSB, Mary Commons 221 or the Residential Life Office, Sexton 127 at SJU. If you withdraw by February 11th no official record of your registration for that term will be made. If you withdraw between February 12th and April 14th, the mark "W" will appear behind that term's courses on your transcript. **If you withdraw after April 14th, all courses for that term will be followed by the grade of "F".** If you decide to withdraw after the term ends, you MUST notify the office mentioned above.

Night classes may use their last regularly scheduled class period for their final exam or request a multi-section common exam time.

The academic calendar concludes each semester with a one-day study and four-day test cycle. Faculty may administer final exams for their classes only during the exam periods officially scheduled by the Registrar's Office. Cumulative final examinations may not be given during the regularly scheduled class days of the semester. If there is to be a cumulative final exam in a course, all exams given during the semester must be returned for student review by the last scheduled day of class.

Instructors of each full-term course are expected to announce at the beginning of the course whether a written two-hour final examination will be given. Such an exam will be administered during the four day test cycle according to the schedule above. Note that a class is assigned a test time and day in the schedule according to the cycle and time period it meets during the semester. Night classes may use their last regularly scheduled class period for a final exam.

One period has been reserved on each of the four test days for the administration of a common exam for multiple-section courses who so desire. A list of such courses, and their exam times, will be announced this fall. The legend, MS, in the accompanying chart signifies times set aside for these multi-section common exams.
