All currently registered students who expect to return to CSB/SJU this Fall must complete advance registration by April 11th. Please follow these instructions carefully—proper registration is your responsibility. If you have any questions about registration, call the Registrar’s Office at 5260 (CSB) or 3396 (SJU).

STUDENTS ARE ELIGIBLE TO REGISTER ONLY IF THEY HAVE:
- Met with their advisor to obtain their Registration PIN #
- Settled all current charges with the Student Accounts Office
- Been accepted by a department (unless they are a first-year student)
- Applied for graduation if they are classified as a Senior
- Complied with Minnesota immunization regulations
- Have an active Network account

We strongly urge you to meet with your advisor early and enter your registration on BANNER Web Self Service. Delaying your registration will affect course selection.

Students who are ineligible to register for any of these reasons may register on BANNER Web Self Service after they have cleared all registration holds.

Please note that registration for ILPs (Individualized Learning Projects) and for special programs (Tri-College Exchange, Internships, etc.) requires your submission of special forms available online through the Registrar’s Office website: http://www.csbsju.edu/Registrar/Online-Forms.htm. Registration for Internships (8 credits or more) are due the first day of classes.

REGISTRATION ADJUSTMENTS
Registration adjustments (Drop/Add) can be done on Banner Web Self Service through August 30th. You will need your Registration PIN# that you received from your Advisor. To drop a course after this date, complete the appropriate online request form available at: http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm or students can come to the Registrar’s Office at SJU (Quad 163) or at CSB (Academic Services Building 208).

Listings of cancelled or closed courses will be electronically updated on the Class Schedule Information on Banner Web Self Service. Students should use Banner Web Self Service to check whether a space has become available in a course that was previously closed. Full term courses may be added through the first 5 class days of the semester.

If a course is closed, check whether there are any other sections of the same course that have spaces available in them and register for an alternate section. If this option is not available to you, consider alternate courses and register accordingly. Your advisor is a good resource to help determine an appropriate alternate. In some cases, it may be appropriate for the department chair or instructor to "override" a student beyond the course limit. Override registrations for closed courses are completed by the student by submitting the online request form: https://www.csbsju.edu/Registrar/Override-Closed-Course.aspx

ACADEMIC ADVISING

After viewing this Class Schedule, visit your faculty advisor to arrange a schedule of classes for next term, and have your advisor write your PIN on the Registration Worksheet which you will find at: http://www.csbsju.edu/Registrar/Class-Schedules.htm

If you intend to register for more than 18 credits, you are incurring an overload. Overloads may be attempted only by students in good academic standing with special approval of the Academic Advising Office.

Prior to Registration
Consultation with your faculty advisor is required prior to registration. (Your primary faculty advisor is listed in Banner Web under Student Records, then Student Information.) Upon approval of your proposed schedule, your faculty advisor will issue you your registration PIN which is required for registration in Banner. Using Common Curriculum and major/minor requirement information (Degree Works and departmental Websites are excellent sources), develop a class schedule that helps you progress toward your degree. Identify multiple options for courses that may fill quickly. Draft your schedule(s) on the Registration Worksheet for review with your faculty advisor. Follow up with your department chair or Academic Advising as needed.

Check for Registration Holds
To be cleared for registration, all students must have settled their accounts with the college, comply with Minnesota immunization regulations and have an approved faculty advisor. Starting in second semester of the sophomore year, students must also be accepted or conditionally accepted into a major. Seniors must have completed degree applications. View registration hold in Banner Web. Review e-mail records for notices sent about resolving any holds.

Normal Course Load
A typical course load includes 16 credits comprised of four 4-credit courses. Variations may occur due to need for 1-, 2-, or 3-credit courses in some programs. Minimum enrollment in 12 credits is required to maintain full-time student (“full-time” or “officer” status). Minnesota residents receiving Minnesota State Grant funds must enroll in at least 15 credits to receive the full award grant amount. Maximum enrollment is 18 credits; credits in excess of 18 will require special permission from Academic Advising and will result in credit overload fees. Only students in good academic standing, with GPA above 2.0, may be approved for credit overload.

ACADEMIC PROBATION
First semester students must earn a minimum 1.8 cumulative grade point average to remain in good academic standing. In subsequent semesters, all students are required to maintain a 2.0 cumulative grade point average for all CSB/SJU coursework. Students who fall below a 2.0 cumulative GPA will be placed on academic probation for the next semester. During the probationary semester, students must raise their cumulative GPA to 2.0 and may take no courses for S/U grading unless the course if offered only on an S/U basis. Students whose cumulative GPA remains below the minimum standards at the end of a Final Probationary semester are subject to dismissal. For more information, see the Official Academic Catalog.

ADDITIONING A CLASS
August 31st is the last day you may ADD a full-term course to your program, unless the course’s first meeting is scheduled after August 31st. No student may enroll for a full-term course after the first week without the instructor’s consent. Banner Web Self Service will be available to add courses through the 5th day of the semester. After the 5th day of the semester, any additions, with the instructor’s consent, must be made by filling out a late add request form which must be approved by faculty and/or department chair. This form, in addition to other registration forms, is available on our online forms link: http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm

AUDITING A CLASS
Students intending to audit a course (earn no credit) are required to complete the Audit Change of Status form during the first four weeks of class. A student who first enrolls for an audit status may change to credit status only during the first week of class. Auditors are expected to attend all regular classes. Courses audited are not included in determining the total credits earned; however, the credit value of any course audited is calculated in the total tuition costs.

CALENDAR CHANGES
The CSB/SJU calendar is subject to modification or interruption due to occurrences such as fire, flood, labor disputes, interruption of utility services, acts of God, civil disorder and war. In the event of such occurrences, the Institutions will attempt to accommodate their students. However, we do not guarantee that courses of instruction, extra curricular activities or other programs or events will be completed or rescheduled. Refunds will be made to eligible students in accordance with College or University policy.

EXEMPTION/SUBSTITUTION
In exceptional circumstances students may petition for exemption/substitution from specific academic regulations. Forms for requesting an exemption/substitution are available online from the Registrar’s Office through the online forms webpage: http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm. Students should first consult with their academic advisor, whose signature represents a recommendation that the request be considered favorably by the approving officer. Department chairs or equivalent officers for exemptions/substitutions from requirements within majors and minors. Exemptions/substitutions from academic regulations beyond major and minor fields require the approval of the As-

CO-REQUISITES (COREQ)
Co-requisites are courses that must be taken during the same semester.

CREDITS EARNED AT OTHER COLLEGES
Students may complete out-of-residence courses and transfer them to Saint Benedict’s and Saint John’s. The college at which the coursework is completed must be accredited by the appropriate regional accrediting agency at the time of enrollment. Courses to be transferred must be similar to coursework offered for credits at Saint Benedict’s and Saint John’s. Courses to be transferred must receive a minimum grade of C. Credits received for these courses are translated into semester credits according to the appropriate translation formula. Grades earned for transferred coursework are not calculated into the student’s cumulative GPA. Before credit may be transferred, the Registrar’s Office must receive an official transcript directly from the college at which the courses were completed.

With advance approval, students may apply these courses towards common curriculum and/or major requirements. Work taken to complete common curriculum requirements requires prior consultation with and approval of the Registrar’s Office or the Academic Advising Office. Work taken to complete major requirements requires prior consultation and approval of the department chair. The department chair needs to sign an Academic Substitution/Exemption Form.

Students who intend to transfer coursework from a foreign college or university must consult the director of international studies before beginning such study. Consult the Center for Global Education for further information. Please note that coursework completed through AP, IB or PSEO may not be repeated at CSB/SJU for additional credit. If you choose to enroll in the equivalent course at CSB/SJU then the AP, IB or PSEO credits will be removed from your transcript.

CREDIT OVERLOAD
If you plan to register for more than 18 credits, you are incurring an overload. Overloads may be attempted only by students in good academic standing with special approval of the Academic Advising Office.

The overload tuition fee is billed at $1,228 per credit over 18.

DEGREEWORKS
Advisors will have access to their advisees’ DegreeWorks advising aid through Banner Web Self Service. Please make an appointment to meet with your advisor early to review your academic progress and select your Fall coursework. Remember: all students MUST see their advisor to receive their Registration PIN #.

DROPPING A CLASS
• August 30: Last day to drop a course using Banner Web Self Service. After this date students must fill out a late add request form which must be approved by faculty and/or department chair to receive a permanent drop until September 21st. Forms available at: http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm
• September 21: Last day to receive a permanent drop on your schedule
• November 14: Last day to receive a “W” on your transcript. If you withdraw after this date, your instructor may assign you an “F” at the end of the semester if appropriate.

For courses scheduled for less than a full term, withdrawal during the first third of the course will result in no record entry; during the second third, a “W” entry; during the final third, a failure.

Students who fail to properly drop or withdraw from a course may be subject to a failing grade if appropriate.
GRADUATION REQUIREMENTS

- 124 credit hours. 45 of these credits must be earned at CSB/SJU
- First Year students who begin Fall 2017 or after must earn 76 credits at CSB/SJU
- 4 of the total credit hours must be upper division (300 level)
- 2.0 minimum cumulative GPA (unless a specific major requires a higher average)
- 2.0 minimum GPA major and/or supporting courses (unless a specific major requires a higher average)
- Completed Common Curriculum requirements
- Acceptance to a major (usually at the completion of sophomore year)
- Requirements for a major (half of the courses for a major must be completed at CSB/SJU)
- Candidates for a degree must normally be in residence for the two semesters preceding commencement

HOLDS
All financial, academic, student accounts & health center holds must be cleared before registering for classes.

INCOMPLETE GRADE POLICY
The policy concerning the temporary grade Incomplete (I) includes the following points:

When circumstances warrant, instructors may allow some delay in the completion of course work. Such extensions shall not extend beyond the close of the following regular (fall or spring) semester, and earlier limits may be set at the discretion of the instructor.

The instructor must report on the official grade roster the grade "I" followed by the minimum grade the student will receive if the course work is not complete by the end of the following semester (e.g., IF, or IC, or IB). That grade will be used in the computation of grade point averages until the Incomplete is removed.

If by the end of the following semester the instructor reports a single final grade to the Registrar, that grade will replace the I GRADE. The Incomplete will be removed, and averages recomputed accordingly. Otherwise the minimum grade that was assigned with the I will become a permanent part of the transcript.

Exceptions to the above may be granted only by the written permission of the Assistant Academic Dean. Such exceptions will ordinarily be granted only in cases of medical disability or problems of comparable seriousness.

Degree candidates are cautioned that failure to have all degree requirements satisfied (including removal of Incomplete grades in courses needed for graduation by March 15th) will necessarily result in postponement of their graduation.

INDIVIDUAL LEARNING PROJECTS
The guidelines and application forms for Individual Learning Projects, also called Independent Study, are available online from the Registrar's Office: http://www.csbsju.edu/Registrar/Online-Forms/Undergraduate-Students.htm. You should complete the appropriate online request form: https://www.csbsju.edu/Registrar/Override-Closed-Course.aspx

Before attempting to register for courses listed as "Permission of Instructor or Department", you must obtain written permission. You should complete the appropriate online request form: https://www.csbsju.edu/Registrar/Override-Closed-Course.aspx

PREREQUISITES
Check the course listings section of this class schedule to find out if a class has a prerequisite. Make sure you have met all prerequisites before attempting to register for a course. If you have not taken the prerequisite, you must contact the department to seek written approval to register for the course by completing the online request form: https://www.csbsju.edu/Registrar/Override-PrereqRestriction.aspx

PROTOCOL FOR MAKE-UP OF FINAL EXAMS
If the Provost Office determines that final exams cannot be held due to weather or any other emergency situation, then the following protocol will be followed:

If the entire day of final exams must be cancelled, then that day of exams will be held the day after the last day of the regularly scheduled final exams (after the 4th day of exams). The exam times will remain the same on the extra exam day.

If classes are cancelled for any part of a regular exam day then those exams will be held the day after the last day of the regular final exams (after the 4th day of exams). The exam(s) will begin at 8:00 am on the extra exam day.

REPEATING A COURSE
A course that has been failed may be repeated for credit. Courses that have been passed may not be repeated for credit. They may, however, be repeated for additional honor points. The original grade is not removed when a course is repeated and credit for a course can be earned only once. The higher grade is computed in the GPA. Repeating a course in which a passing grade has already been earned may have financial implications.
Consortium during one of their two last semesters of their Senior year must register as a full-time student at CSB/SJU for a minimum of 12 credits per semester. Any student wishing to register for a External Study Abroad enrollment must submit a request to the Registrar's Office (or we can mail them for you) 3 working days after the registration deadline. Students who plan to enroll in one of these programs should contact the Education Abroad Office, ASB 104 at CSB. Students who are considering enrolling in coursework offered abroad by another institution (Consortium/External Study Abroad) should contact the Education Abroad Office or the Registrar's Office, for information on transfer of credits. Students who register for SA 372, Consortium/External Study Abroad, will be billed a $300 fee. Seniors must ordinarily be in residence for the two semesters immediately preceding commencement (graduation). "In residence" is defined as enrollment as a full-time student at CSB/SJU for a minimum of 12 credits per semester. Any student wishing to register for a External Study Abroad Consortium during one of their two last semesters of their Senior year must receive approval from the Academic Advising Office. Seniors will not be allowed to register for a year long External Study Abroad Consortium. S/U REGISTRATION Arrangements for this non-honor point grading option should be made with your professor at the beginning of the course. Remember that undergraduates are limited in the number and types of courses they may take for the grade S (Satisfactory). See the Catalog for specific rules. First-year students may not take the S/U option except for a course with only S/U grades available. The grade S, once turned in by the instructor, is NOT SUBJECT TO LATER CHANGE. Grading options are listed in the Class Schedule as either A-F grading only or S-U grading only. If neither of these is listed, the instructor will permit eligible students to choose either option by the date the instructor specifies at the beginning of the course. Once you have chosen, you may not request that the S/U be changed to an honor point grade. If coursework grades average below a C under the S/U option, the grade U (Unsatisfactory) will be given with no credit earned. TRI-COLLEGE EXCHANGE The College of Saint Benedict, Saint John's University, and Saint Cloud State University have an agreement that encourages regular full-time undergraduate students to take courses on any of the three campuses. Registration is limited to fall and spring semesters. If a course seems suitable for your program of study, see your advisor for permission to register. To register, fill out the online application prior to August 17th. The form is available at https://www.csbsju.edu/Registrar/TriCollege.aspx. The course will be added to your Fall Student Detail Schedule, if space is available. Students who plan to enroll in one of these programs should contact the Education Abroad Office, ASB 104 at CSB. CSB Campus

Night classes may use their last regularly scheduled class period for their final exam or request a multi-section common exam time.

The academic calendar concludes each semester with a one-day study and four-day test cycle. Faculty may administer final exams for their classes only during the exam periods officially scheduled by the Registrar’s Office. Cumulative final examinations may not be given during the regularly scheduled class days of the semester. If there is to be a cumulative final exam in a course, all exams given during the semester must be returned for student review by the last scheduled day of class.

Instructors of each full-term course are expected to announce at the beginning of the course whether a written two-hour final examination will be given. Such an exam will be administered during the four day test cycle according to the schedule above. Note that a class is assigned a test time and day in the schedule according to the cycle and time period it meets during the semester. Night classes may use their last regularly scheduled class period for a final exam.

The last period on each of the four test days has been reserved for the administration of a common exam for multiple-section courses who so desire. A list of such courses, and their exam times, will be announced this fall.
