Tuition, fees, room and board costs are divided equally between fall semester and spring semester. You will be billed for the first half in July (first half due August 10; second half due January 10). Any loans, grants, or scholarships you have been awarded will also be credited one-half per semester. Outside scholarships will be credited when they are submitted to the school. A monthly payment plan is available, with a finance charge of 1% per month (12% annually) charged on the balance due. More information about the payment plan will be included with the billing statement.

If you determine that additional financing is needed to cover costs for the year, please reference the PLUS/private loan information provided here: www.csbsju.edu/financialaid/loanacceptance
