COLLEGE OF SAINT BENEDICT

2025-26 Financial Aid Information

Your financial aid offer is based on our review of your Free Application for Federal Student Aid (FAFSA) and a standard cost of attendance using on-campus housing and meal rates. Living at home or in an off-campus apartment may affect your need-based aid eligibility. If there have been changes to your FAFSA information since the end of 2023 that have not been communicated to the Financial Aid staff, please contact the Financial Aid Office. Examples of changes that could affect financial aid eligibility include loss of employment, decrease in wages or an increase in medical expenses. Any changes to the family's financial situation occurring during the 2025-26 school year that substantially affects the student's ability to pay may be reported to our office for reconsideration of the student's financial aid.

CONSUMER INFORMATION

Federal law requires colleges and universities that offer federal financial aid to provide consumer information to students. Consumer information for CSB and SJU is located at www.csbsju.edu/About/Consumer-Information. Additional information regarding Academic Affairs, Career Services, Student Development, Security & Life Safety, the Registrar's Office and Financial Aid can be found at this site.

BILLING

The above costs are divided equally between fall and spring semesters. Students will be billed for the first half (fall semester) in July and the second half (spring semester) in December. The fall semester payment is due August 10, and the spring semester payment is due January 10. All scholarships and grants from the college, state and federal sources are applied to a student's account with one half of the amount credited for fall semester and one half for spring semester. Earnings from on-campus employment may be applied to the student's account or used by the student for personal expenses. Loans are applied directly to the student's account with one half of the amount credited for fall semester and one half for spring semester. Outside scholarships less than \$1000 are applied to the student's account as they are received by the Student Accounts Office. Any scholarship over \$1000 will be split between fall and spring semesters. A monthly payment plan is offered by the college to pay the remaining account balance after financial aid is applied. There is a 1% per month finance charge (annual percentage rate of 12%) for this payment plan. More information on payment options can be viewed on the Student Accounts website: www.csbsju.edu/Student-Accounts.

STUDENT EMPLOYMENT

STUDENT EMPLOYMENT OFFERS

- Student employment is listed on the aid offer for all returning students who worked on campus during the 2024-25 academic year. If student employment is not listed and you worked on campus in 2024-25, please email the Student Employment Office at seoffice@csbsju.edu.
- Students are paid only for hours worked; students working fewer hours than required will not earn the full student employment amount listed on the aid offer.

STUDENTS NOT OFFERED EMPLOYMENT AS PART OF FINANCIAL AID OFFER

- Students interested in working should email the Student Employment Office at seoffice@csbsju.edu for information on how to apply.

ADDITIONAL INFORMATION

LOAN TRACKING

Students are encouraged to monitor their student loan indebtedness. Loans are listed on Banner Web Self-Service under Financial Aid. In addition, students may find it helpful to use the loan simulator available at studentaid.gov to calculate future loan repayment.

ENROLLMENT STATUS

Students must be making satisfactory academic progress toward a degree to continue receiving financial aid. Financial aid includes all scholarships, waivers, grants, student employment and loans offered through the college, federal or state governments. The satisfactory academic progress policy is published on the financial aid website at www.csbsju.edu/financialaid/policies.

Most financial aid programs, including CSB and SJU scholarships, require full-time attendance (12 credits). Students enrolled less than full time will have their financial aid prorated based on enrolled credit hours. The Minnesota Grant program requires students to enroll in 15 credits to maintain their full eligibility. A reduction in credit load may necessitate a reduction to the Minnesota Grant.

REAPPLYING FOR AID

Financial aid is offered on an annual basis, and students must reapply each year by completing the FAFSA. Students will continue to receive aid, subject to program limits, so long as they are maintaining satisfactory academic progress and continue to demonstrate financial eligibility.
