A new commandment I give you; Love one another as I have loved you.”

John 13:34
Dear Bennies and Johnnies

It's been a while since we have all been together. We've all been through the challenging times of uncertainty, constant shifting and changing, online classes, and covid restrictions. As you make your way back to campus and begin to settle in, you may be wondering what this spring semester is going to look like.

Although no one can know for sure what the future holds, we have the capability to choose what our present holds. Will we remain in the darkness of discouragement, or will we cast ourselves upon Christ, letting Him show us rejoicing and gladness? Will we choose to love those around us the best we can? Will we embrace challenges with faith, hope, joy, and resilience?

None of us can do this alone; that's why CSB Campus Ministry is here for you. We encourage you to reach out to us via email, Instagram, or Facebook so we can help you connect with the community of students journeying in faith. We encourage you to pray with us at Mass and serve with us through our monthly service opportunities. Please use our events and programming as ways to meet new people and share community.

Let's stay together this semester, CSBSJU. When we are rooted in love, not even social distancing can separate us, so take a leap, be bold, and choose to love this semester. We are with you!

In Christ's Love,

CSB Campus Ministry
