

Brittany Merritt HIST 142B: Europe Since 1750

Assignment Type:

Multimedia Podcast

Project Description/Finished Artifact:

Working in groups, students will choose a primary source relevant to a topic in the European past or present to research and contextualize. Then, using a PowerPoint or similar tool, each group member will contribute narration to explain the topic to a popular audience in a five minute “visual podcast.”

Information Literacy or Research Description:

Groups must agree on a topic relevant to the course. Students are required to cite one primary source for the group plus one secondary, scholarly source for each group member. The visual aspect of the assignment will also require groups to find complimentary images, all of which should be cited in the appropriate format.

Software/Hardware/Facilities Required:

One writing center appointment for script review (can be done by iTech/Library staff); audio editing software (Audacity); slide/presentation software (PowerPoint)
