Relative Contributions by Land Use

Table 1
PondNET Land Use Parameters

Sagatagan Drainage			
	P-concen. PPB	Runoff Coefficient	lbs/acre Loadings
Woodlands	200	0.08	0.16
Undeveloped Open Land	200	0.08	0.16
Agricultural Cropland	425	0.16	0.67
Urban/Campus	425	0.60	2.51

Stumpf and East Gemini Drainages			
	P-concen. PPB	Runoff Coefficient	lbs/acre Loadings
Woodlands	200	0.08	0.16
Undeveloped Open Land	200	0.08	0.16
Agricultural Cropland	450	0.18	0.80
Campus/Urban	375	0.58	2.14
Athletic Fields	400	0.10	0.39
