A LITTLE BIT ABOUT WILLICEY

- Willicey was born in the Bahamas in 1978.
- He is inspired by nature, especially by the beauty of the Carribean where he grew up.
- Willicey usually works with oil paint, but he has also made sculptures with clay, bronze, and glass.
- He lives near St. Cloud, Minnesota.

As you look at Willicey's paintings, try to focus on all the different colors, shapes, patterns, and textures that he uses together to make up the whole piece of art.
