Current and Continuing Students

Continuing students register online using Banner Web Self Service during the advance registration period. When registering for courses for the coming term, please follow the registration instructions carefully. Proper registration is the student's responsibility. If you have questions about registration, contact the Registrar's Office at 320.363.3396 or registrar@csbsju.edu.

Continuing students are eligible to register only if they have:

- Met with their advisor and obtained their registration pin number
- Settled all current charges with the Student Accounts Office
- Complied with Minnesota immunization regulations
- Submitted a final High School transcript (applies to first-year students)
- Completed the mandated sexual misconduct training (applies to first semester, new students)
- Selected a new advisor (applies only to first-year students in their second semester)
- Been accepted by a department (applies only if a junior or senior during the next full term.)
- Applied for graduation (applies to all seniors or 4th year students)
- Have no other outstanding holds on their registration

We strongly urge you to meet with your advisor early and enter your registration on Banner Web Self Service on the date provided by your advisor. Delaying your registration will affect course selection and availability.

Students who are ineligible to register for any of these reasons may register on Banner Web Self Service after they have cleared all registration holds.

New Incoming Students

New Students will be registered by Academic Advising for their first term at CSB and SJU. Please complete the CSB and SJU Advising and Registration Form, located in the Forms Portal, (<https://apps.csbsju.edu/enrolledstudents/>) in order to provide the Academic Advising Office with accurate information to complete your initial class registration.

Registration Adjustments

Registration adjustments (Drop/Add) can be completed on Banner Web Self Service through the 5th class day of each semester. You will need your registration pin number that you received from your advisor. To drop a course after the 5th day of the semester, you must complete the

appropriate online request form available at Registrar's Online Forms or come to the Registrar's Office at SJU (Quad 163).

Listings of cancelled or closed courses will be electronically updated in the Class Schedule on Banner Web Self Service. Students should check whether a space has become available in a course that was previously closed. Full term courses may be added through the first 5 class days of the semester.

If a course is closed, check whether there are any other sections of the same course that have spaces available in them and register for an alternate section. If this option is not available to you, consider alternate courses and register accordingly. Your advisor is a good resource to help determine an appropriate alternate. In some cases, it may be appropriate for the department chair or instructor to "override" a student beyond the course limit. Override registrations are completed by the student using the appropriate the Override Request Form.

Withdrawal from the College, any student who decides to discontinue either during the semester or between semesters must complete the proper withdrawal form with the Residence Life or Academic Advising Office at Saint Benedict's or with the Campus Life, Academic Advising or Financial Office at Saint John's.

No official record of attendance for that term is kept if a student withdraws from school during the first 20 days of the semester. Students who withdraw from school after that date, but before the final 16 class days of the semester, receive a grade of "W" for all courses registered for that semester. Official withdrawal during the last 16 class days of any semester is not possible.

Students who have withdrawn from Saint Benedict's or Saint John's and intend to return to continue their studies may apply for readmission to the colleges. Consult the Admission Office, admissions@csbsju.edu, for further information.

See also Academic Catalog: Withdrawal from College – <https://catalog.csbsju.edu/catalog/academic-programs-policies-regulations/withdrawal/>

Minnesota Students Eligible for The Minnesota State Grant Program

Minnesota students eligible for the Minnesota Grant Program must register for and attend a minimum of 15 credits each semester to receive a Minnesota Grant at the full-time student rate. Students who register for 12-14 credits may still receive a Minnesota Grant, but the award amount will be substantially reduced.

For all other financial aid programs, 12 credits is considered full-time.

For any questions regarding the Minnesota Grant Program, contact the Financial Aid Office. (<https://www.csbsju.edu/financialaid/contact-staff/>)

Official Communications from the Office of the Registrar

The Registrar's Office will use electronic mail (e-mail) as the most expeditious means of communicating with student. Ensure that junk mail filtering is not blocking messages from the Registrar's Office (registrar@csbsju.edu) in order to receive important notices regarding registration, graduation, cancellation of courses, etc.

The Registrar's Office will also utilize tools in the HIVE such as flags, to-do's, referrals, and high fives to communicate concerns regarding Graduation Requirements, the need to Apply for Graduation and other processes impacting your registration. If you see a message from The HIVE (<https://csbsju.starfishsolutions.com/starfish-ops/>) please be sure to take action as needed based on the specific flag/to-do/referral being raised.

Also, please make sure you're logged into myCSBSJU (<http://my.csbsju.edu/dashboard/>) to receive important campus information and announcements. myCSBSJU is your one-stop-shop for all other information and services at Saint Ben's and Saint John's!

Prepare for Registration

Prior to Registration, schedule an appointment with your primary faculty advisor. The advising period typically takes place two weeks prior to the start of registration. **Consultation with your faculty advisor is required prior to registration.**

Your primary faculty advisor is listed in Banner Web Self-Service (<http://www.csbsju.edu/it-services/banner/>), on Degree Works (<https://dw.csbsju.edu/>) and on your Network in The HIVE (<https://csbsju.starfishsolutions.com/starfish-ops/>).

Plan ahead and create a schedule

Develop a class schedule that helps you progress toward your degree. Degree Works can help you determine outstanding Integrations Curriculum and major/minor requirements.

Review course offerings

- Consider balance between major/minor/Common Curriculum courses
- Consider balance courses that may require more/less focus
- Know what classes you NEED to take, as well as those you WANT to take
- Have a back-up plan in case your first choice courses are unavailable at your time of registration

Draft your tentative schedule(s) for review with your faculty advisor using:

- Plan Ahead feature in Banner Web Registration
- The registration worksheet, as a guide - <http://www.csbsju.edu/documents/Registrar/forms/M-F%20worksheet.pdf>

(<http://www.csbsju.edu/documents/Registrar/forms/M-F%20worksheet.pdf>)

Registration PIN

Upon approval of your proposed schedule, your faculty advisor will issue your registration PIN which is required for registration in Banner. Record this registration pin for future reference. New registration pins are issued for each registration period. PINs are sent to Faculty Advisors two weeks prior to the start of registration.

If you are unsure if you have a correct/valid registration pin, you can always verify your pin by attempting to log into class registration. If you attempt to login with an invalid registration pin, you will get the following error message "Invalid alternate pin, please try again." Follow up with your faculty advisor, department chair or Academic Advising, as needed.

Check for Registration Holds

To be cleared for registration, all students must have:

- Settled (paid) their student account with the college
- Complied with Minnesota immunization regulations
- Have an approved faculty advisor

Other processes that could add a hold to your registration include:

- 1st semester first years - students must have a final High School transcript on file
- 1st semester new students - all students must have completed the mandated sexual misconduct training
- 1st semester junior - students must be accepted or conditionally accepted to a major by the end of their 2nd year
- Seniors - Seniors who are 1 semester from completing their degree must have a degree application prior to registration for their final semester

You may view registration holds (<https://my.csbsju.edu/pages/a-guide-to-student-holds/>) in Banner Self-Service (<http://www.csbsju.edu/it-services/banner/>).

Course Load

For undergraduate students a typical course load will be 16 credits comprised of four 4-credit courses.

Keep in mind:

- Variations may occur due to need for 1, 2, or 3 credit courses in some programs.
- **Minimum**- Enrollment in 12 credits is required to maintain full-time student ("in-residence") status and having less than 12 credits may impact your financial aid.
- **MN State Grant**- Minnesota students receiving Minnesota State Grant funds must enroll in at least 15 credits to receive the full awarded grant amount.
- **Maximum** - The enrollment maximum is 18 credits
- **Overload** - Credits in excess of 18 may only be attempted by students in good academic standing and special approval from Academic Advising. Additional Fees may apply. See Credit Overload in the Registration Glossary (<https://catalog.csbsju.edu/registration/general/#registrationglossarytext>) for additional information

COMMON REGISTRATION CONCERNS

Your PIN # doesn't work

Solution: If you are unsure if you have a correct/valid registration pin, you can always verify your pin by attempting to log into class registration. If you attempt to login with an invalid registration PIN, you will get the following error message "Invalid alternate pin, please try again." If you do not get this error message, re#check your PIN and carefully re#enter the PIN #. You may have to exit Self-Service completely and login again. Please note: the PIN # is not displayed (for security reasons) as you enter it on the computer.

You lost your PIN

Solution: Contact your Faculty Advisor to get your Pin # again, or bring your Advisor's signature to the Registrar's Office. (PIN #'s cannot be obtained in the Computer Access Areas)

You entered the wrong CRN

Solution: Search Self-Service and verify that you have the correct CRN # and try again. CRNs are unique and if you enter the wrong number you will not get the course you desire. CRNs can be found using the search feature in Self-Service Web Registration under Browse for Course and/or in Register for Classes.

You cannot add a course or make changes to your schedule

Solution: Self-Service allows you to make changes to your registration. Returning students without registration holds (<https://catalog.csbsju.edu/pages/a-guide-to-student-holds/>) should be able to access Self-Service and make changes. You may make changes online through Self-Service through the first week of the semester.

While using Self-Service it displays: "This session for your login has expired"

Solution: Self-Service is programmed to log off of the registration screen if you leave the screen idle for more than 15 minutes. If this should happen, simply sign on again.

Self-Service shows the status of a course as 'open' but it will not permit you to register for the course

Solution: You may not meet the prerequisites or restrictions for that course. Check the notes in the class schedule under that course or contact the Registrar's Office.

You cannot add a course or make changes to Plan Ahead

Solution: Returning students without registration holds (<https://catalog.csbsju.edu/pages/a-guide-to-student-holds/>) should be able to utilize the Plan Ahead Tool. If you have a registration hold, you will need to wait to make your plan in Banner Web Registration until you clear your hold.

CREDITS EARNED AT OTHER COLLEGES

Please see policy found in the Academic Catalog - Academic Policies - Credits Earned Elsewhere (<https://catalog.csbsju.edu/catalog/academic-programs-policies-regulations/credits-earned-elsewhere/>)

For additional information, visit Transfer Credits | Registrar ([csbsju.edu](https://www.csbsju.edu/registrar/new-students/transfer-credits/)) (<https://www.csbsju.edu/registrar/new-students/transfer-credits/>)

CREDIT OVERLOAD APPROVAL & FEES

A student is considered full-time if enrolled in 12 to 18 credits during the fall or spring semesters. If you plan to register for more than 18 credits, you are incurring an overload. Overloads may be attempted only by students in good academic standing with special approval of the Academic Advising Office.

2024-2025 Fees: The overload tuition fee will be billed at approximately \$1,516.00 per credit over 18 credits.

DEGREE WORKS

Advisors will have access to Degree Works advising aid through Banner Web Self-Service for Faculty – <http://www.csbsju.edu/it-services/banner> (<https://www.csbsju.edu/it-services/banner/>). Please make an appointment to meet with your advisor early to review your academic progress and select your coursework. Remember, all students must see their advisor to receive their registration PIN #. See also: Degree Works – Saint Ben's and Saint John's ([csbsju.edu](https://my.csbsju.edu/pages/degreeworks/)) (<https://my.csbsju.edu/pages/degreeworks/>)

GRADUATION REQUIREMENTS

The number of credits required for graduation is 124 with a grade point average of 2.00 in the major and minor fields and overall. Of these, at least 40 credits must be earned in upper-division courses. Please visit Graduation (<https://catalog.csbsju.edu/catalog/academic-programs-policies-regulations/graduation/>) under the Academic Policies and Regulations (<https://catalog.csbsju.edu/catalog/academic-programs-policies-regulations/>) portion of the catalog for full details regarding degree requirements.

Please note, some programs require higher grade point averages for admission and graduation. See individual departmental listings for more information.

HOLDS

Holds are placed on students records and will prevent registration until the student must take proper action and work with appropriate departments to clear their holds. When holds are placed on a students registration record, the student is contacted by email with information detailing why hold was placed and how to resolve their hold. All financial, academic, student accounts & health center (p. 13) holds (<https://my.csbsju.edu/pages/a-guide-to-student-holds/>) must be cleared before registering for classes. See also: Guide to Registration Holds (p. 13)

INCOMPLETE GRADE POLICY

When instructors determine that circumstances warrant, they may allow some delay in the completion of coursework. Such extensions may not extend beyond the last day of finals (close) of the following regular fall or spring semester. Earlier limits may be set at the discretion of the instructor.

Degree candidates are cautioned that failure to have all degree requirements satisfied (including removal of incomplete grades in courses needed for graduation) by the dates set by the registrar will necessarily postpone their graduation.

Please visit Academic Catalog - Academic Policies Regulations - Incomplete Grades (<https://catalog.csbsju.edu/catalog/academic-programs-policies-regulations/grades/>) for full Incomplete Grade Policy

OVERRIDES

If a course is closed, students should check whether there are any other sections of the same course that have spaces available in them and register for an alternate section. If this option is not available, a student may consider alternate courses and register accordingly. Faculty advisors are good resources to help determine an appropriate alternate. In some cases, it may be appropriate for the department chair approve an "override" allowing a student to register beyond the course limit. Override registrations are completed by the student using the appropriate the Override Request Form (<https://apps.csbsju.edu/registrar/forms/override/>). Completing an override request does not guarantee that a student will be able to take a course. The override from should not be completed until after a student has tried to register for courses and has not been able to get into the course. Access to complete the Override Request Form (<https://apps.csbsju.edu/registrar/forms/override/>) will not be available to students until their cohort's registration day.

PREREQUISITES

Check the course listings section of this class schedule to find out if a class has a prerequisite. Make sure you have met all prerequisites before attempting to register for a course. If you have not taken the prerequisite, you must contact the department to seek written approval to register for the course by completing an override request form found on the Registrar's Online Forms (<https://my.csbsju.edu/pages/registrar-online-forms/>)page

Registration Priority

HOW ARE REGISTRATION TIMES DETERMINED?

Registration days are assigned to cohort groups (entry year at CSB/SJU). We then assign registration times within each cohort by credit ranges —both earned, including transfer and AP credits, and registered credits (reflected as "Credits Applied" in Degree Works).

NOTE: Students will receive a personal email notification that indicates their registration date and time.

A student's cohort group is the group of students who began college in the same year.

COHORTS

Column1	Column2
Senior Cohort	2021-2022 academic year
Junior Cohort	2022-2023 academic year
Sophomore Cohort	2023-2024 academic Year
First Year	2024-2025 academic year

TRANSFER STUDENTS:

We approximate cohort groups based on credit ranges. We then assign times within each cohort group by number of "Credits Applied", earned and registered combined.

REGISTRATION PINS:

Pins are sent to the primary advisor for every student. These registration pins will be sent to advisors next week. Students must visit with their advisor to obtain their individually assigned pin number.

Final Exam Schedules

The academic calendar concludes each semester with a one-day study and three-day test cycle. Faculty may administer final exams, final projects or presentations for their classes only during the exam period officially scheduled by the Registrar's Office. Cumulative final examinations, projects or presentations, may not be given during regularly scheduled class days of the semester, except for night classes. If there is to be a cumulative final exam in a course, students must be given the opportunity to review all tested materials by the last scheduled class. The faculty member has the right to retain the tested materials.

Study day supports student preparation for the final exam period. Faculty or departments may offer study sessions to assist students in their preparation. Please do not schedule required activities on this day (no final exams, final projects or presentations).

Instructors of full-term courses are expected to announce at the beginning of the course whether a two-hour final examination, final project or presentation will be given. Such an exam will be administered during the three-day test cycle according to the schedule below. Classes are assigned a test time and day in the schedule according to the cycle and time period it meets during the semester. Night classes may use their last regularly scheduled class period for a final exam.

One period has been reserved on two test days for the administration of a common exam for multiple-section courses who so desire. A list of such courses, and their exam times, will be announced.

PROTOCOL FOR MAKE-UP OF FINAL EXAMS

If the Provost Office determines that final exams cannot be held due to weather or any other emergency situation, then the following protocol will be followed:

- If the entire day of final exams must be canceled, then that day of exams will be held the day after the last day of the regularly scheduled final exams. The exam times will remain the same on the extra exam day.
- If classes are canceled for any part of a regular exam day then those exams will be held the day after the last day of the regular final exams. The exam(s) will begin at 8:00 am on the extra exam day.

Use the tables below to determine the day and time for an exam. Finals typically occur on the same campus where the class normally meets, common exams can be an exception to this. Please refer to the (<https://catalog.csbsju.edu/catalog/calendars/current-year/undergraduate>) Academic Calendar (<https://catalog.csbsju.edu/catalog/calendars/>) each term for the dates of Study Day and Exam Days.

Please note, night classes will use the last regularly scheduled class period for their final exam or may request a multi-section common exam time.
