## **REGISTRATION GUIDE**

## **Registration Eligibility**

#### **Current and Continuing Students**

Continuing students register online using Banner Web Self Service during the advance registration period. When registering for courses for the coming term, please follow the registration instructions carefully. Proper registration is the student's responsibility. If you have questions about registration, contact the Office of Student Records and Registration at 320.363.3396 or registration@csbsju.edu.

#### Continuing students are eligible to register only if they have:

- · Met with their advisor and obtained their registration pin number
- · Settled all current charges with the Student Accounts Office
- · Complied with Minnesota immunization regulations
- · Submitted a final High School transcript (applies to first-year students)
- · Completed the mandated sexual misconduct training (applies to first semester, new students)
- Been accepted to a major by a department (applies only if a junior or senior during the next full term.)
- Applied for graduation (applies to all seniors or 4th year students)
- · Have no other outstanding holds on their registration

We strongly urge you to meet with your advisor early and enter your registration on Banner Web Self Service on the date provided by your advisor. Delaying your registration will affect course selection and availability.

Students who are ineligible to register for any of these reasons may register on Banner Web Self Service after they have cleared all registration holds.

#### **New Incoming Students**

New Students will be registered by Academic Advising for their first term at CSB and SJU. Please complete the CSB and SJU Advising and Registration Form, located in the Forms Portal, (https://apps.csbsju.edu/enrolledstudents/) in order to provide the Academic Advising Office with accurate information to complete your initial class registration.

## **Registration Adjustments**

Registration adjustments (Drop/Add) can be completed on Banner Web Self Service through the 5th class day of each semester. You will need your registration pin number that you received from your advisor. To drop a course after the 5th day of the semester, you must complete the appropriate online request form available at Office of Student Records and Registration Online Forms or come to the Office of Student Records and Registration at SJU (Quad 163). See also: Drop/Add Instructions (p. 18)

Listings of cancelled or closed courses will be electronically updated in the Class Schedule on Banner Web Self Service. Students should check whether a space has become available in a course that was previously closed. Full term courses may be added through the first 5 class days of the semester.

If a course is closed, check whether there are any other sections of the same course that have spaces available in them and register for an alternate section. If this option is not available to you, consider alternate courses and register accordingly. Your advisor is a good resource to help determine an appropriate alternate. In some cases, it may be appropriate for the department chair or instructor to "override" a student beyond the course limit. Override registrations are completed by the student using the appropriate the Override Request Form.

Withdrawal from the College, any student who decides to discontinue either during the semester or between semesters must complete the proper withdrawal form with the Residence Life Office at Saint Benedict's or with the Campus Life Office at Saint John's.

No official record of attendance for that term is kept if a student withdraws from school during the first 20 days of the semester. Students who withdraw from school after that date, but before the final 16 class days of the semester, receive a grade of "W" for all courses registered for that semester. Official withdrawal during the last 16 class days of any semester is not possible.

Students who have withdrawn from Saint Benedict's or Saint John's and intend to return to continue their studies may apply for readmission to the colleges. Consult the Admission Office, admissions@csbsju.edu, for further information.

See also Academic Catalog: Withdrawal from College (https://catalog.csbsju.edu/academic-programs-policies-regulations/withdrawal/)

## **Minnesota Students Eligible for The Minnesota State Grant Program**

Minnesota students eligible for the Minnesota Grant Program must register for and attend a minimum of 15 credits each semester to receive a Minnesota Grant at the full-time student rate. Students who register for 12-14 credits may still receive a Minnesota Grant, but the award amount will be substantially reduced.

For all other financial aid programs, 12 credits is considered full-time.

For any questions regarding the Minnesota Grant Program, contact the Financial Aid Office. (https://www.csbsju.edu/financialaid/contact-staff/)

## Official Communications from the Office of Student Records and Registration

The Office of Student Records and Registration will use electronic mail (e-mail) as the most expeditious means of communicating with student. Ensure that junk mail filtering is not blocking messages from the Office of Student Records and Registration (registration@csbsju.edu) in order to receive important notices regarding registration, graduation, cancellation of courses, etc.

The Office of Student Records and Registration will also utilize tools in the HIVE such as flags, to-do's, referrals, and high fives to communicate concerns regarding Graduation Requirements, the need to Apply for Graduation and other processes impacting your registration. If you see a message from The HIVE (https://csbsju.starfishsolutions.com/starfish-ops/) please be sure to take action as needed based on the specific flag/to-do/referral being raised.

Also, please make sure you're logged into myCSBSJU (http://my.csbsju.edu/dashboard/) to receive important campus information and announcements. myCSBSJU (http://my.csbsju.edu/dashboard/) is your one-stop-shop for all other information and services at Saint Ben's and Saint John's!

## PREPARE FOR REGISTRATION

Prior to Registration, schedule an appointment with your primary faculty advisor. The advising period typically takes place two weeks prior to the start of registration. Consultation with your faculty advisor is required prior to registration.

Your primary faculty advisor is listed in Banner Web Self-Service (http://www.csbsju.edu/it-services/banner/), on Degree Works (https://dw.csbsju.edu/) and on your Network in The HIVE (https://csbsju.starfishsolutions.com/starfish-ops/).

#### Plan ahead and create a schedule

Develop a class schedule that helps you progress toward your degree. Degree Works can help you determine outstanding Integrations Curriculum and major/minor requirements.

#### **Review course offerings**

- Consider balance between major/minor/Integrations Curriculum courses
- · Consider balance courses that may require more/less focus
- Know what classes you NEED to take, as well as those you WANT to take
- Have a back-up plan in case your first choice courses are unavailable at your time of registration

## Draft your tentative schedule(s) for review with your faculty advisor using:

- Plan Ahead feature in Banner Web Registration. Students may create up to 3 plans for Registration.
  - NEW! If you have a plan that is Active and Preferred in Degree Works, you can use that to pull your planned classes into Web Registration. Simply go to Web Registration, then Plan Ahead. Once in Plan Ahead, click the Create New Plan button, then go to the Tab for Degree Works Plans. You can then click View Sections to pick from available sections of the classes you have planned for the term. More information about Degree Works Plans is available here (https://my.csbsju.edu/#SEPPLan).
    - It is suggested that students create a DW plan before meeting with their Faculty Advisor to obtain their PIN for registration. At the advising meeting, review the DW Plan, then the Advisor can mark one Degree Works plan as Preferred and Active.
- The registration workshee (http://www.csbsju.edu/documents/ Registrar/forms/M-F%20worksheet.pdf)t, as a template for making your daily schedule.

## **Registration PIN**

Upon approval of your proposed schedule, your faculty advisor will issue your registration PIN which is required for registration in Banner. Record this registration pin for future reference. New registration pins are issued for each registration period. PINs are sent to Faculty Advisors two weeks prior to the start of registration.

If you are unsure if you have a correct/valid registration pin, you can always verify your pin by attempting to log into class registration. If you attempt to login with an invalid registration pin, you will get the following

error message "Invalid alternate pin, please try again." Follow up with your faculty advisor, department chair or Academic Advising, as needed.

## **Check for Registration Holds**

To be cleared for registration, all students must have:

- · Settled (paid) their student account with the college
- · Complied with Minnesota immunization regulations
- · Have an approved faculty advisor

Other processes that could add a hold to your registration include:

- 1st semester first years students must have a final High School transcript on file
- 1st semester new students all students must have completed the mandated sexual misconduct training
- 1st semester junior students must be accepted or conditionally accepted to a major by the end of their 2nd year
- Seniors Seniors who are 1 semester from completing their degree must have a degree application prior to registration for their final semester

You may view registration holds in Banner Self-Service (http://www.csbsju.edu/it-services/banner/).

Also visit the Guide to Registration Holds (p. 23) for more details about each hold and what office to connect with should you have questions about the hold and what needs to happen to resolve the hold.

#### **Course Load**

For undergraduate students a typical course load will be 16 credits comprised of four 4-credit courses.

#### Keep in mind:

- Variations may occur due to need for 1, 2, or 3 credit courses in some programs.
- Minimum- Enrollment in 12 credits is required to maintain fulltime student ("in-residence") status and having less than 12 credits may impact your financial aid.
- MN State Grant- Minnesota students receiving Minnesota State Grant funds must enroll in at least 15 credits to receive the full awarded grant amount.
- · Maximum The enrollment maximum is 18 credits
- Overload Credits in excess of 18 may only be attempted by students in good academic standing and special approval from Academic Advising. Additional Fees may apply. See Credit Overload (p. 24) for additional information

Visit the Registration Instructions (p. 18) page in this guide for directions on how to register for classes, adding a variable credit course, searching for classes by attribute and commonly asked questions.

## **REGISTRATION PRIORITY**

## HOW ARE REGISTRATION TIMES DETERMINED?

Registration days are assigned to cohort groups (entry year at CSB/SJU). We then assign registration times within each cohort by credit ranges—both earned, including transfer and AP credits, and registered credits (reflected as "Credits Applied" in Degree Works).

**NOTE**: Students will receive a personal email notification that indicates their registration date and time.

A student's cohort group is the group of students who began college in the same year.

#### **COHORTS**

Cohort	Year Started at CSBSJU
Senior	2022-2023 academic year
Junior	2023-2024 academic year
Sophomore	2024-2025 academic year
First-year	2025-2026 academic year

#### TRANSFER STUDENTS:

We approximate cohort groups based on credit ranges. We then assign times within each cohort group by number of "Credits Applied", earned and registered combined.

#### **REGISTRATION PINS:**

Pins are sent to the primary advisor for every student. These registration pins will be sent to advisors next week. Students must visit with their advisor to obtain their individually assigned pin number.

A course which has been failed may be repeated for credit. Courses which have been passed may not be repeated for credit. They may, however, be repeated for additional honor points. In the latter case, although the original grade is not removed from the transcript, it is the higher grade which is computed in the GPA. Credit for a course can be earned only once.

Coursework completed through AP, IB or PSEO may not be repeated at CSB/SJU for additional credit. If you choose to enroll in the equivalent course at CSB/SJU, the AP, IB or PSEO credits will be removed from your CSB/SJU transcript.

- If you are registering for a course that you are repeating you must notify the Office of Student Records and Registration.
- Repeating a course in which a passing grade has already been earned may have financial aid implications. For additional information, contact a Financial Aid Office. (https://csbsju.starfishsolutions.com/starfish-ops/dl/instructor/serviceCatalog.html?bookmark=service/4202)

#### **SUBSTITUTION**

In exceptional circumstances and for appropriate reasons, students may petition for a substitution from specific academic regulations. Forms for requesting a substitution are available online:

- Integrations Curriculum Substitution Form (https://forms.csbsju.edu/ RDD0027LJC/)
- Major/Minor Substitution (https://my.csbsju.edu/pages/registraronline-forms/)
- Students should first consult with their academic advisor.
   Department chairs are the approving officials for substitutions from requirements within majors and minors. Substitutions from academic regulations beyond major and minor fields (including common curriculum requirements) require the approval of the Academic Dean or the dean's designee. Requests for these non-departmental substitutions should be directed first to the Academic Advising Office.

The guiding principle in considering requests for any substitution is fidelity to the academic standards of the colleges.

If you do not get this error message, re#check your PIN and carefully re#enter the PIN #. You may have to exit Self-Service completely and login again. Please note: the PIN # is not displayed (for security reasons) as you enter it on the computer.

#### You lost your PIN #

**Solution:** Contact your Faculty Advisor to get your Pin # again, or bring your Advisor's signature to the Office of Student Records and Registration. (PIN #'s cannot be obtained in the Computer Access Areas)

#### You entered the wrong CRN #

**Solution:** Search Self-Service and verfiy that you have the correct CRN # and try again. CRNs are unique and if you enter the wrong number you will not get the course you desire. CRNs can be found using the search feature in Self-Service Web Registration under Browse for Course and/or in Register for Classes.

#### You cannot add a course or make changes to your schedule

Solution: Self-Service allows you to make changes to your registration. Returning students without registration holds (https://catalog.csbsju.edu/registration/instructions/registration/general/#guidetoregistrationholdstext) should be able to access Self-Service and make changes. You may make changes online through Self-Serivce through the first week of the semester.

## While using Self-Service it displays: "This session for your login has expired"

**Solution:** Self-Service is programmed to log off of the registration screen if you **leave the screen idle for more than 15 minutes**. If this should this happen, simply sign on again.

## Self-Service shows the status of a course as 'open' but it will not permit you to register for the course

**Solution:** You may not meet the prerequisites or restrictions for that course. Check the notes in the class schedule under that course or contact the Office of Student Records and Registration.

#### You cannot add a course or make changes to Plan Ahead

**Solution:** Returning students without registration holds (https://catalog.csbsju.edu/pages/a-guide-to-student-holds/) should be able to utilize. The Plan Ahead Tool. If you have a registration hold, you will need to wait to make your plan in Banner Web Registration until you clear your hold.
