LATINO/LATIN AMERICAN STUDIES MINOR

WHAT IS THE LATINO/LATIN AMERICAN STUDIES MINOR?

The LLAS minor is a dynamic, interdisciplinary course of study that explores the histories and Hispanic cultures of the United States, Central and South America and the Caribbean. Much more than a stand-alone 'language minor' the LLAS minor is designed to help you develop a more complete understanding of the complex Hispanic world. It is easy to complete alongside minors and majors, and many of our courses also fulfill Common Curriculum requirements.
